Summer Camp 2020

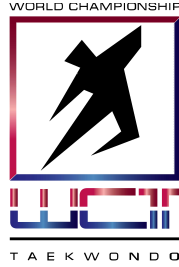

Welcome!

To those of you who have participated in our Summer Camp Program in past years, I wanted to welcome you back to another WONDERFUL summer! With the kids out of school I know it can get overwhelming with activity planning, time management, etc. We are here to provide an all inclusive summer camp experience for your child! Taekwondo is something that promotes discipline, respect, and confidence in children, our program will teach them these characteristics in a fun, safe, and positive environment! We have daily exercise in our Taekwondo classes, field trips every week, games, movies, lectures, contests, and more!

There is something that every child can benefit from here.
